## Message from Head of School

Dear parents and well-wishers

Greetings from Darshan Academy!

At the outset, I would like to heartily congratulate all parents, students, staff, management, and well-wishers for the successful completion of a meaningful academic year 2025–26.

This year marked a significant milestone the celebration of 30 glorious years (Pearl Jubilee) of Darshan Education Foundation, a journey dedicated to excellence in education. To commemorate this achievement, 30 meaningful activities were conducted across the year, reinforcing our commitment to holistic learning and educational values. Darshan Academy, Pune, was proudly featured in the Pearl Jubilee video, reflecting its contribution to this inspiring journey.

The school has shown a steady rise in academic performance and quality indices across all classes. Our Class X board results were particularly commendable, with an impressive school average of 80.3%, reaffirming our strength and consistency for the third consecutive year.

Beyond academics, our students actively participated in nearly 20 inter-house events and represented the school at inter-school, zonal, state, national, and even international levels in sports and co-curricular activities, bringing laurels and pride to the institution.

The Annual Pearl Jubilee Celebration was a landmark event. The gracious presence of the Honorable CBSE Regional Officer, Shri Radhakrishna Balani, made the occasion truly memorable.

This year also marked an important step forward in our pursuit of excellence, as the school underwent the rigorous process of NABET Assessment and Accreditation under the Quality Council of India. We are confident that the dedicated efforts invested in preparation and evaluation will yield fruitful results.

Being recognized as an NTA Centre and SOF Level 2 Examination Centre further highlights our growing national presence. Adding to our achievements, the school was honored with a National Award for Value-Based Holistic Education—an affirmation of our mission and vision.

I extend my heartfelt gratitude to every member of the Darshan Academy community for their unwavering support, dedication, and belief in our shared goals. Together, we continue to nurture young minds and build a brighter future.

With warm regards,
